ONSITE TRAINING PROGRAM

EMPOWER YOUR BUSINESS

QEI ONSITE TRAINING PROGRAM

Get the credibility and the expertise to get ahead

If you're ready to gain some industry leverage – now's the time to get your employees involved in the QEI Services LLC. Onsite Training Program. QEI Services LLC. is an ASME accredited organization, with programs relied upon nationwide. We'll travel anywhere in the USA to provide certification training and testing. That means you can count on us to help you increase employee knowledge and qualifications in the field, while giving you the flexibility and convenience you need to save both time and money.

QEI Services LLC. is entrusted by the American Society of Mechanical Engineers to issue and control Qualified Elevator Inspector Certifications. So if you want to take your business to the next level – without leaving the premises – QEI Services LLC. is the one to get you there.

GIVE THEM THE BEST TRAINING

Our lead instructor and program director is a senior member of the ASME. That means you can be sure your employees are getting the tools they need to pass the certification exam, and the type of education and training relevant to the field today.

- ▲ Benefit from programs tailored to the ASME doctrine.
- ▲ Receive in-depth code reference abilities.
- ▲ Get hands-on experience and valuable certification to gain a real edge in the field

DISCOVER WHY OUR PROGRAM IS RIGHT FOR YOUR BUSINESS

- ▲ Flexible – We will travel anywhere, nationwide.
- ▲ Cost-efficient – On-site training saves travel and lodging expenses, plus we give employees the option to the rent book for course week only.
- ▲ Fast – Five-day training program includes four days instructor lead education and one day test taking.
- ▲ Accommodating – 160-question test is open book with practice tests and Q&A sessions offered.
- ▲ Day and evening courses available.

MAKE IT YOUR BUSINESS TO SUCCEED
